

AdvantageStudents: Guidelines for Students

Before beginning your clinical rotation experience, completion of a satisfactory background check and drug screen is required. We are pleased to announce that InfoMart AdvantageStudents is the Atlanta area preferred screener for students in the healthcare field.

Student package: \$39.95 for all students.	
Package includes:	
	Multistate Sex Offender Search
	Patriot Act Search
	GSA List of Parties Excluded from Federal Programs
	List of Specially Designated Nationals (SDN)
	OIG List of Excluded Individuals/Entities
	Applicable State Exclusion List
	Criminal History
	NSSS (National Social Security Search)
	OFAC (US Treasury, Office of Foreign Asset Control)
	Patriot Act Search (includes Government Suspect and Terrorist List searches)
	National Healthcare Fraud and Abuse Search (FACIS)
Employment History (<i>only required for students over 21 years of age</i>)	

To Place an Order:

- Log into www.advantagestudents.com
- Click on Students, select the school attending (University of North Texas Health Science Center (UNTHSC))
- Select the Student Package (*unless instructed otherwise by your school or clinical site*)
- Enter all required information – watch for error messages in red!
- Make a note of the email and password entered, as this will be your log in to access the website in the future.
- If a hospital requests to see your report and is not listed as a user on the website, you may simply print your report from the website by clicking on the “completed” link and provide it to them in person.

- For further assistance, please contact via email:
