

HSC Health Center for Older Adults WellMed Resource Guide

Part of the HSC Whole Health Initiative

Dispatch Health

Provides high-acuity care after-hours, on weekends, holidays, or during capacity constraints.

Can help with...

- Same-day, high acuity medical care in the home
- Coordinate care with patient's PCP and/or other care team members as appropriate following DispatchHealth visit
- Share valuable insight into social determinants of health
- Improve health outcomes and achieve industry-leading patient satisfaction scores
- Reduce healthcare costs

Schedule an Appointment:

- Request an In-Home Visit
Call 469-505-1172 or complete registration online at express.dispatchhealth.com to set up a visit.
- Care Team Is Dispatched
A physician assistant, nurse practitioner, or medical technician will arrive at your home.
- Follow-up Communication and Coordination of Care
The on-site medical professional will coordinate with your PCP after the visit.
